

Fly Swatter Vocabulary Game

Level: Any Level

Directions:

Divide your class into 2 groups.

Display on the board 10 vocabulary words .

Choose one student from each team and ask them to turn their backs to the words.

Give both students a fly swatter.

The teacher gives a **definition or synonym** for one of the words. The students will face the words and attempt to be the first to "fly swat" the word to earn points for their team.

Variation:

Display on the board 10 vocabulary words and over 10 of them paste "flies" made of cardboard paper with a piece of Velcro on them.

Give both students a fly swatter with the other side of Velcro on them. Students take turns swatting any fly. Students earn points by being able to read the word, and then use it in a sentence or give the correct definition.
