When someone needs to be a good Teacher. This person should be nice and I think evry teache should be nice. Techers should be respicful towrodes other teachers and to there studenta they have to be resipicful or no one will respic them. If a teacher wonts to be a good teacher they should not be afraide of there studensa there studensa there studensa may be bad but the techer has all the power and they should ues it agenst bad studens don't be afrade of uour studentsa. Teachers a should notr be mean Just becuas there self And they should not be alowed to have coffe in class or eat I think it is not fare to the studensa because we can't have stuff to drinck or eat it's Just not fair.
