

The Idea Song

(Row, Row, Row your boat)

Write, write, write your thoughts.

Make your ideas clear,

Tell the reader what you know

And what you hold most dear.

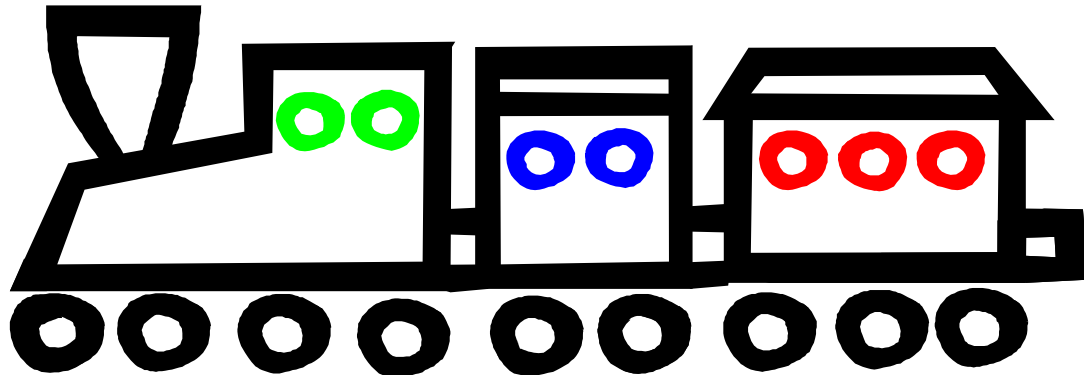

The Organization Song

(Mary Had a Little Lamb)

Writing has a good beginning,
strong conclusion,
And builds bridges.

Writing has a good beginning,
The order just makes sense.

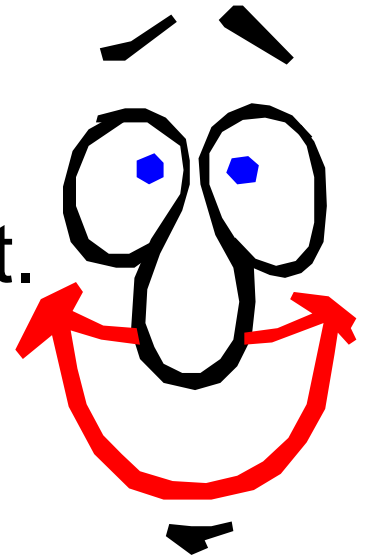

The Voice Song

(If You're Happy and You Know It)

If you're happy and you know it, that's your voice.

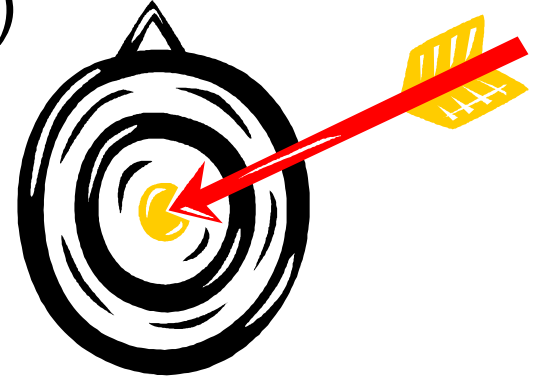

If you're thoughtful and you know it, that's your voice.

If you're spunky, and you know it,
Then your words will surely show it.
If you're happy , that's your voice.

The Word Choice Song

(Ring Around the Rosie)

Writing with your best
words-

Finding lots of new words-

Sparkle! Dazzle!

The words stand out!

The Sentence Fluency Song

(Frere Jacques)

Sentence fluency.

Sentence fluency.

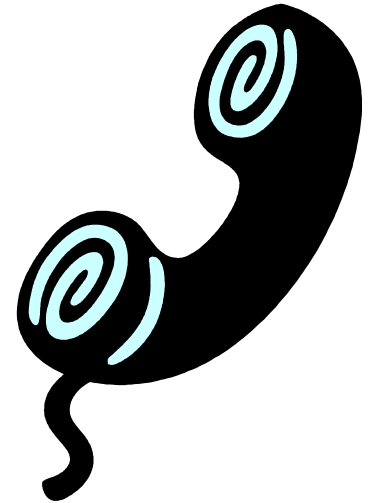

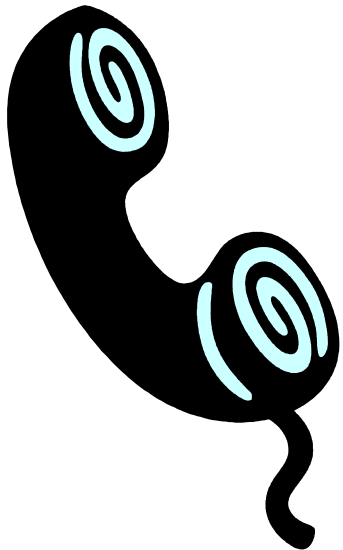

The writing flows.

The writing flows.

Sentences are longer.

Sentences are shorter.

It sounds smooth, it sounds right.

The Conventions Song

(The Hokey Pokey)

You put your periods in,
You pull some spelling out.
You put your capitals in,
And you shake them all about.
You make your paper better
When you edit it just right.
That's what it's all about.
